INFORMATION LETTER

International scientific-practical conference

“Transport of Russia: problems and prospects”

13-14 November 2018

Saint-Petersburg

Dear colleagues!

You are cordially invited to participate in the annual International scientific-practical conference “Transport of Russia: problems and prospects”, that is scheduled to take place on 13-14 November 2018 in St. Petersburg.

Conference organizer:

The Ministry of Science and Higher Education of the Russian Federation

The Russian Academy of Sciences (RAS)

Branch of nanotechnologies and information technologies of the RAS

Solomenko Institute of Transport Problems of the RAS

Saint-Petersburg University of State Fire Service of Emercom of Russia

The work of the Conference is planned in the following directions:

- Intelligent multi-modal transport system.
- Systemic issues of transport development in Russia.
- Safety problems of transport systems and technologies.

The conference will include a Section of young scientists, which will contribute to the consolidation of the efforts of young scientists and specialists in solving the priority scientific problems of the transport industry.

The conference will be attended by the heads of The Ministry of Transport of the Russian Federation, The Ministry of Science and Higher Education of the Russian Federation, the Ministry of the Russian Federation for Affairs for Civil Defence, Emergencies and Elimination of Consequences of Natural Disasters, The Russian Academy of Sciences, Russian Railways, profile committees of the government of St. Petersburg and Leningrad region, representatives of Executive authorities of subjects of the Russian Federation, researchers of the Russian Academy of Sciences, leading specialist from departmental research institutes and advanced Russian and foreign universities, representatives of the transport business.

**The conference will take place in the building of St. Petersburg University of the state fire service of EMERCOM of Russia at the address:
149, Moskovskiy prospect, Saint Petersburg**

We look forward to seeing all of you at the Conference and appreciate your help in gathering program information.
